Department of Food Quality and Safety
Faculty of Food Processing Technology
02 Nguyen Dinh Chieu St., Nha Trang City, Vietnam
Tel: (84) 58 3874700 Cell phone: (84)905127555

EDUCATION

Brest University, France
Ph.D. in Food Quality and Safety, 2007-2010

Nha Trang University, Nha Trang, Vietnam
MSc. in Food Processing Technology, 1998 - 2000
B.A. in Food Technology, 1988-1993

RESEARCH INTERESTS

- Food Quality and Safety
- Risk assessment
- Food Safety Management

RESEARCH EXPERIENCE

- Project of University: TR2012-13-15. Assessing food safety in the food stalls around the Nha Trang University and exposition assessment of students.
- Assessing food safety in seafood chain in Khanh Hoa and solutions. Khanh Hoa provincial project. 2013-2015
- PSP risk assessment, EU project, 2007-2010, participant
- Food Quality and Safety, SEAQIP Project, 2002-2005, participant

TEACHING RESPONSIBILITY

- Food Safety
- Food Quality Assurance

Graduate

- Food safety Management

PUBLICATIONS and PRESENTATIONS

Books:

1. Dang Van Hop, Do Minh Phung, Vu Ngoc Boi, **Nguyen Thuan Anh**, 2010. Analysis of aquatics products. Science and Technique Publishing House. 385p.
2. Dang Van Hop, Do Van Ninh, **Nguyen Thuan Anh**. 2006. Food Safety and Quality. Agriculture Publishing House. 265p.

3. **Nguyen Thuan Anh.** 2005. Chemical methods used for analysis of composition of seafood products. *Basic fish technology and food safety.* SEAQIP
4. **Nguyen Thuan Anh.** 2005. Chemical methods used for freshness quality monitoring of fish. *Basic fish technology and food safety.* SEAQIP
5. **Nguyen Thuan Anh.** 2005. Methods for determination of chemical residues. *Basic fish technology and food safety.* SEAQIP
6. **Nguyen Thuan Anh.** 2005. Physical methods for freshness quality monitoring of iced & frozen fish. *Basic fish technology and food safety.* SEAQIP
7. **Nguyen Thuan Anh.** 2005. Microbiological methods. *Basic fish technology and food safety.* SEAQIP
8. **Nguyen Thuan Anh.** 2005. Rapid Methods and Automation in Food Microbiology. *Basic fish technology and food safety.* SEAQIP
9. **Nguyen Thuan Anh.** 2005. Hygiene monitoring. *Basic fish technology and food safety.* SEAQIP

Journals

1. Picot Cyndie, **Nguyen Thuan Anh**, Carpentier François-Gilles, Roudot Alain Claude, Parent-Massin Dominique. 2011. Relevant shellfish consumption data for dietary exposure assessment among high shellfish consumers, Western Brittany, France. *International journal of environmental health research.* 21 (2), 86-105.
2. Picot Cyndie, **Nguyen Thuan Anh**, Roudot Alain Claude, Parent-Massin Dominique. 2010. A preliminary risk assessment of human exposure to phycotoxin in shellfish: A review. *Human and Ecological Risk Assessment: An International Journal.*
3. **Nguyen Thuan Anh**, Picot Cyndie, Tran Thi Luyen, Carpentier François-Gilles, Roudot Alain-Claude, Parent Massin Dominique. 2010. Shellfish Consumption in Southern Coastal Vietnam, Nha Trang. *Bulletin of Environmental Contamination and Toxicology.*
4. Picot Cyndie, **Nguyen Thuan Anh**, Carpentier François-Gilles, Roudot Alain Claude, Parent-Massin Dominique. 2010. Relevant shellfish consumption data for dietary exposure assessment among high shellfish consumers, Western Brittany, France. *International journal of environmental health research.*
5. **Nguyen TA**, Picot C , Tran TL, Carpentier F-G, Roudot A-C & Parent-Massin D. 2012. Evaluation of Shellfish Consumption in Nha Trang City, Southern Coastal Vietnam. *Mal J Nutr* (1): 37 - 45
6. **Thuan Anh Nguyen**, Alain-Claude Roudot, Dominique Parent Massin, 2013. Risk Assessment of Heavy Metals in Shellfish for the Population in Nha Trang City, Vietnam. *Journal of Environmental Health.* 1-9. *Pre-published digitally March 2013, National Environmental Health Association. Final publication Journal of Environmental Health, January/ February 2014, 76(6).*
7. **Nguyen Thuan Anh**, 2013. Risk assessment of Nha Trang population to lead due to mollusk and crustaceans consumption. *Journal of seafood science and technology*, No 3/2013.3-6
8. **Nguyen Thuan Anh**, 2012. PSP (Paralytic Shellfish poisoning) concentrations in bivalves. *Journal of seafood science and technology*, No 4/2012.3-9
9. **Nguyen Thuan Anh**, 2012. Lead concentrations in mollusk and crustacean consumption in Nha Trang. *Journal of seafood science and technology*, No 3/2012.3-8

10. **Nguyen Thuan Anh**, 2012. Mollusk and crustacean consumption in Nha Trang *Journal of seafood science and technology*, No 2/2012.20-24
11. **Nguyen Thuan Anh**, 2012. Lindan concentrations in shellfish in Nha Trang. *Journal of seafood science and technology*, No 1/2012.99-103
12. **Nguyen Thuan Anh**, 2012. Exposition Assessment of mercury due to seafood consumption in Nha Trang. *Journal of science and Development*, Vol.10, No 2, 2012. 290-294
13. **Nguyen Thuan Anh**, 2011. Mercury concentrations in popularly consumed seafoods in Nha Trang. *Journal of science and Development*, Vol.9, No 6, 2011. 937-942
14. **Nguyen Thuan Anh**. 2006. Hygiene inspection in Fishery Processing Factory. *Journal of seafood science and technology*, Nha Trang University, No 2-2006.p.94.
15. **Nguyen Thuan Anh**. 2006. The issue of Green Malachite utilization in Aquatic products of Vietnam. *Journal of seafood science and technology*, Nha Trang University, No 3-2006.p.50.
16. **Nguyen Thuan Anh**. 2005. QIM-Quality Index Methode- The efficient tool for determination of fish quality. *Journal of seafood science and technology*, Nha Trang University, No 2-2005.p.50.
17. **Nguyen Thuan Anh**. 2004. The comparison and the choice of method for determination of histamine. *Journal of seafood science and technology*, Nha Trang University, No 2-2004. p.54
18. **Nguyen Thuan Anh**. 1999. The change of quality of surimi according to the quality of krill. *Journal of seafood science and technology*, Nha Trang University, p.84-86.

Presentations

1. **Thuan Anh Nguyen**, Alain-Claude Roudot, Dominique Parent Massin. Risk assessment to Paralytic Shellfish Poisoning (PSP) due to the bivalves consumption of the population in Nha Trang city, Vietnam. Proceedings of the 9th International Conference on Molluscan Shellfish Safety, Sydney, Australia. 17-22/3/2013,
2. **Thuan Anh Nguyen**, Alain-Claude Roudot, Dominique Parent Massin, 2012. Heavy metal contents in shellfish and risk assessment for the population in Nha trang city, Vietnam. Proceedings of the 7th international workshop on "An appropriate system for high quality and safe seafood production in the Aia pacific region, Bangkok, Thailand, 8-12 October, 2012. 75-91.
3. **Nguyen Thuan Anh**, 2011. Shellfish consumption and contamination by heavy metals in Nha Trang city, Vietnam. Proceedings of the Food Science & Technology (MEKONGFOOD 2), 9-12.11.2011.
4. **Nguyen Thuan Anh**, Tran Thi Luyen, Carpentier François-Gilles, Roudot Alain-Claude, Parent Massin Dominique. 2010. Survey of shellfish consumption in south coastal Vietnam (Nha trang). Proceedings of the 7th international conference on Molluscan Shellfish Safety, Nante, France, 14th-19th June, 2009.
