

Tran Duc Phu
phudhnt@gmail.com

Institute for Marine Science and Fishing Technology
02 Nguyen Dinh Chieu St., Nha Trang City, Vietnam
Tel: (84) 58 3832067

EDUCATION

Nha Trang University, Nha Trang, Vietnam
Ph.D. in Fishing Technology, 2004 - 2007
MSc. in Fishing Technology, 1998 - 2001
B.S. in Marine Exploiting, 1988 – 1993

RESEARCH INTERESTS

- Fishing Technology

RESEARCH EXPERIENCE

- Researching methods of preserving products on trawl vessels in offshore Ba Ria – Vung Tau province, 2004 – 2005, participant
- Exploiting the horizontal sonar on purse seine vessel in offshore Ca Mau province, 2005 – 2006, principal investigator
- Improving the technology of catching swimming crab by trap, 2006 – 2007, principal investigator
- Transferring technology of fishing by trap for fishermen in Quang Binh province, 2007 – 2008, principal investigator
- Researching solutions to ensure safety for tuna fishing vessels in Khanh Hoa Province, 2007-2009, participant
- Building the atlas of fishing gear in central provinces, 2008 – 2009, participant
- The solutions to protect fish resources of coastal trawlers in Khanh Hoa Province, 2009 – 2011, principal investigator
- Researching to improve traditional traps to raise the effect in fishing in Ninh Thuan province, 2010 – 2011, principal investigator
- Detailed planning of aquaculture areas in Nha Trang Bay, 2011, principal investigator
- Researching on building man-made fish tools to protect and regenerate fish resources in Ninh Thuan province , 2011 – 2013, participant

- Surveying the situation of preserving fish on offshore vessels and proposing the solutions, 2012, principal investigator
- Assessing the impact of shrimp seed catching to the landscape environment and fish resources in Nha Trang Bay, 2012 – 2013, principal investigator
- Assessing the Tuna's quality of longline and hand fishing with combination of light, 2012 – 2013. Principal investigator, principal investigator

TEACHING RESPONSIBILITY

Undergraduate

- Stevedoring on the Ship
- Marine Economic

Graduate

- International cooperation and responsible fishery
- Integrated management of coastal zones
- Fishery policies
