

WHY NTU

Nha Trang University is one of the first 20 higher education institutions of Vietnam that were accredited by the National Quality Accreditation Council.

MISSION

To train highly qualified manpower, carry out research and technology transfer, and provide services in various areas to meet the demand of socio-economic development, with fisheries as the major strength.

VISION

To become a prestigious university in training, research, and technology transfer, a leader in Southeast Asia in fisheries science and some selected areas in marine economy by 2030.

Message from the Rector

Welcome to Nha Trang University!

Nha Trang University (NTU) evolved from the Department of Fisheries which was established in 1959 at the Academy of Agriculture and Forestry. Over 60 years of development, the University has become one of the leading institutions for training and research in the field of fisheries, contributing an integral part in the socioeconomic development in the South Central regions, the Central Highlands and the whole country.

Currently NTU is offering six doctoral, 15 master's degree, 30 undergraduate major, 15 associate degree and 15 level-transfer programs. The university now has a staff body of over 700 members with over 100 doctors and 300 masters, of which over 40% obtained their degrees in developed countries. The school constantly expands the scale of training, upgrades infrastructure, improves innovation programs, updates teaching and learning methods to become an applied oriented university, and ultimately a research oriented university in the future.

With a long history and proud tradition, NTU is developing cooperative partnerships with universities and research institutes in Vietnam and abroad in order to provide the best learning opportunities for our students as well as a good service for the socioeconomic development of the country. We believe in the importance of qualified educational programs and scientific research in the preparation for a sustainable future. We would like to welcome you to our great university family and hope to receive your support to fulfill our education endeavor.
